## LEADERSHIP BRUNCH

The students attended a brunch where they dressed in their best clothes and got to interact with professionals and how they contribute to society. Many had never attended an elegant brunch and it was a wonderful experience

## VC DISTRICT MEETING

They learned how to run a meeting, now it's time to actually see how one is ran. Our students were invited to a district meeting and got to speak to professional individuals along the way .

## GETTING READY FOR THE S.A.T'S

As S.A.T's approached many of our students were unprepared. Our S.A.T Prep workshop helped them with tips and how to excel on the S.A.T's.

## COLLEGES AT THE ISLANDS

It's time to start thinking about college! We had the opportunity to help our students meet with different colleges so they could start thinking into what college they wanted to get into.

## UNIVERSITY OF CALIFORNIA RIVERSIDE!

Waking up early? No big deal for our students. Especially, when it means that we will be visiting campuses and what they have to offer. The students were able to check out UC Riverside along with what they have to offer to them!

## YOUTH COUNCIL

Lunch is a time to eat but our youth like to utilize their tutoring room as a meeting space to plan out their meetings and ways they can help out the community.

## LET'S TAKE A TRIP TO CSUCI!

Our students had the great opportunity of attending CSUCI with their families and learned how they can work together to attend a college after high school

## IT'S THAT TIME AGAIN!

This month's district meeting helped our students polish their leadership skills and they got to listen to a guest speaker about environmental issues in the community.

## CA LULAC CONVENTION

Dress to Impress! A memorable trip for our student where not only did they get to hear about people just like them who were able to be successful such as Carmen Perez, co-organizer of the Women's March in DC but also political figure Kevin De Leon. The students were able to learn dining etiquette and how to dress semi-formally to prepare them for the dinner.
