COLLEGE APPS, DUE NOW!

CIDREAM students working late into the night on their college applications. Determination is a driving force for many of our students in their desire to be the first in their families to attend college and make them proud.

A STEM HOLIDAY GATHERING

Wonderful evening with our CIDREAM students as we shared a delicious meal, got our minds thinking with a STEM activity, discussed our future STEM field trip and got to hear Oxnard native, Martin Alberto Gonzalez presented his inspiring book 21 Miles of Scenic Beauty and then Oxnard.

LULAC DISTRICT MEETING

Our students had the opportunity to meet leaders in the community who were running for positions at city, county and district level. Students also spoke about their opportunity to attend a leadership conference in Washington D.C

NOVEMBER CAMPUS VISIT: CAL STATE NORTHRIDGE

We decided to spend our day at CSU Northridge since our didn't have school. They toured the campus, visited the Chicano House, the Gym, the Library, the Music Center and more. The most amazing part was when they met some of undergraduate and credentialed students. The CSUN students shared extraordinary stories of sacrifice and perseverance. Dr Gutierrez, the Dept Chair, also shared his story with us.

ROAD TO COLLEGE: THE COLLEGE EXPERIENCE

What an amazing evening , the beautiful scene of parents and their children gathered and planning for their next phase of Education at our "Road to Success-Part 2" Series. What a sight! This lifts us and tells us there's always a tomorrow and a purpose for getting up and continuing to fight the good fight. Wherever you are, be a leader. A big shout out to the college students from CSUCI who came and spoke to our families on their college experiences.

VALLEY OF THE HEART

Exciting night at the Mark Taper Forum in the Music Center of Downtown LA. First time glitter and glamour for our students. We came to see the acclaimed "Valley of the Heart." What an experience to introduce our students to the trans formative power of theater. Unforgettable!
